

## Sustainability Awards Coordinator

Project Title	Sustainability Awards Coordinator
Project Summary	Make our annual Greening Diplomacy Initiative Awards bigger and better by researching other sustainability award programs across the US government and the private sector and putting together recommendations for State!
Country	United States

## Project Description

The Greening Diplomacy Initiative Awards are in its 10th year and it's time to plan for the next 10 years. Help make this sustainability program better and bigger by researching other corporate social responsibility and sustainability awards programs, reviewing the GDI Award nominations from the first 10 years, implementing communications products, and making recommendations.
